Taxation Switzerland

Swiss Federal Stamp Duty	For Swiss stamp duty purpose, the Product is treated as analogous to a bond. Therefore, secondary market transactions are in principle subject to Swiss stamp duty (TK22).
Swiss Federal Income Tax (for private investors with tax domicile in Switzerland)	For private investors with tax domicile in Switzerland holding the Product as part of their private property, the Coupon Amounts on their respective payment dates are subject to the Federal Direct Tax. The tax treatment regarding the cantonal and communal income taxes can differ from the tax treatment regarding the Federal Direct Tax. But in general the income tax treatments are corresponding.
Swiss Withholding Tax	The Product is not subject to the Swiss withholding tax.

On 1 January 2017, Switzerland has implemented the Automatic Exchange of Information in Tax Matters ("AEOI") with the EU and Australia, Jersey, Guernsey, Isle of Man, Iceland, Norway, Japan, Canada and South Korea. Switzerland is also negotiating the introduction of the AEOI with other countries. In this context, the EU Savings Tax for Swiss paying agents and the Final Withholding Tax with UK and Austria was repealed.

The tax information is a non-binding summary and only provides a general overview of the potential Swiss tax consequences linked to this Product at the time of issue. Tax laws and tax interpretation may change at any time, possibly with retroactive effect.

Investors and prospective Investors are advised to consult with their tax advisers with respect to the Swiss tax consequences of the purchase, ownership, disposition, lapse or exercise or redemption of a Product in light of their particular circumstances. The Issuing Parties and the Lead Manager hereby expressly exclude any liability in respect of any possible tax implications.

Information with regards to bondfloor taxation

Updated bondfloor information, if a bondfloor is applicable to the Product (according to "Product Details" and "Taxation Switzerland" herein), can be found on the following web page of the Swiss Federal Tax Administration (FTA): www.ictax.admin.ch. The Investor must be aware that for tax purposes the value of the bondfloor is converted into Swiss Francs (CHF) at inception/purchase as well as at sale/redemption of the Product, in case the Product is denominated in another currency than CHF. Thus, the Investor is exposed to the foreign exchange risk with regard to the taxable income calculation and thus also the withholding tax calculation, if applicable. However, withholding tax on the bondfloor only applies if the Bondfloor at redemption (in %) is greater than the bondfloor at issuance (in %).

Product Documentation

The Termsheet which will be available no later than on the Issue Date, as well as the Final Termsheet include the information required for a definitive simplified prospectus pursuant to article 5 the Collective Investment Schemes Act ("CISA"), as such article was in effect immediately prior to the entry into effect of the Swiss Financial Services Act ("FinSA"), but not a prospectus pursuant to article 40 of the FinSA or article 1156 of the Swiss Code of Obligations. No key information document according to article 60 of the FinSA or any equivalent document under the FinSA has been or will be prepared in relation to the Products. No prospectus has been reviewed or approved by a Swiss reviewing body pursuant to article 52 FinSA, and the documentation prepared in relation to the Products may not comply with the disclosure requirements applicable to a prospectus approved by such a reviewing body under the FinSA. The Termsheet contains a summary of information of the Product and is for information purposes only. **Only the Final Termsheet together with the Issuance and Offering Programme of the relevant Issuer valid as per the Initial Fixing Date containing all further relevant terms**

and conditions, as such is amended from time to time (the "Programme"), shall form the entire and legally binding documentation for this Product ("Product Documentation"), and accordingly the Final Termsheet should always be read together with the Programme. Definitions used in the Final Termsheet, but not defined therein, shall have the meaning given to them in the Programme. **Even though translation into other languages might be available, it is only the Final Termsheet and Programme in English which are legally binding.**

Notices to Investors in connection with this Product shall be validly given in accordance with the terms and conditions of the Programme. In addition, any changes with regard to the terms and conditions of this Product will be published on the relevant Termsheet on www.raiffeisen.ch/structuredproducts, or for listed products, in any other form as permitted by the rules and regulations of the SIX Exchange Regulation AG. Notices to Investors relating to the Issuing Parties will be

published on www.raiffeisen.ch/structuredproducts and/or on the web page of the respective Issuing Party.

During the whole term of this Product, the Product Documentation can be ordered free of charge from the Lead Manager Raiffeisen Switzerland

Cooperative, The Circle 66, 8058 Zurich-Airport (Switzerland), via telephone (+41 (0)44 226 72 20*) or via e-mail (structuredproducts@raiffeisen.ch). Please note that all calls made to numbers marked with an asterisk (*) are recorded.

Guarantee

This Product is secured under the Guarantee Agreement between the Issuer and the Guarantor which is governed by Swiss law. The Guarantor guarantees for the payment of the redemption amount or any other cash settlement amount, or, as the case may be, to deliver the Underlying, in cases of the Issuer's failure to deliver the Underlying or make payment of the redemption amount or any other cash settlement amount for the

benefit of the Investor in respect of any Product that is issued by the Issuer and for which the Guarantor guarantees.

The Guarantee Agreement applicable to this Product is included in the Programme of the relevant Issuer valid as per the Initial Fixing Date and a signed copy may be ordered free of charge from the Lead Manager.

II. Prospects for Profit and Loss

This product falls within the category "Capital Protection". Depending on whether the Product is capped or not, the profit an Investor could realize with this Product at redemption is limited (with cap) or unlimited (without cap). Any profit is composed of the invested capital (excluding any transaction or other costs) multiplied by the Capital Protection plus any additional (guaranteed and/or conditional) payments such as coupon or participation payments, bonuses or others.

On the downside the Investor's exposure to the Underlying(s) is floored at the Capital Protection level.

Please refer to the sections "Product Description" and "Redemption" for more detailed information on the characteristics of this Product.

III. Significant Risks

Risk Factors Relating to the Product

The risk of loss related to this Product is limited to the difference between the purchase price (if higher than the Capital Protection) and the Capital

Protection. However, during the life of the Product, its price can fall below the protection level.

Additional Risk Factors

Secondary Market

The Issuer and/or the Lead Manager or any third party appointed by the Issuer, as applicable, intends, under normal market conditions, to provide bid and offer prices for the Products on a regular basis (if specified in the section "General Information"). However, the Issuer and/or the Lead Manager, as applicable, make no firm commitment to provide liquidity by means of bid and offer prices for the Products, and assume no legal obligation to quote any such prices or with respect to the level or determination of such prices. In special market situations, where the Issuer and/or the Lead Manager is/are unable to enter into hedging transactions, or where such transactions are very difficult to enter into, the spread between the bid and offer prices may be temporarily expanded, in order to limit the economic risks of the Issuer and/or the Lead Manager.

Market Risks

The general market performance of securities is dependent, in particular, on the development of the capital markets which, for their part, are influenced by the general global economic situation as well as by the economic and political framework conditions in the respective countries (so-called market risk). Changes to market prices such as interest rates, commodity prices or corresponding volatilities may have a negative effect on the valuation of the Underlying(s) or the Product. There is also the risk of market disruptions (such as trading or stock market interruptions or discontinuation of trading) or other unforeseeable occurrences concerning the respective Underlyings and/or their stock exchanges or markets taking place during the term or upon maturity of the Products. Such occurrences

Illiquidity Risk

One or, if applicable, more of the Underlyings might be or become illiquid over the life time of the Product. Illiquidity of an Underlying might lead to larger bid/offer spreads of the Product and/or to an extended time period for buying and/or selling the Underlying respective to acquire,

unwind or dispose of the hedging transaction(s) or asset(s) or to realise, recover or remit the proceeds of such hedging transaction(s) or asset(s) which might implicate a postponed redemption or delivery and/or a modified redemption amount, as reasonably determined by the Calculation Agent.
